CX-WC: RESTROOM CONTROL KITS

CAMDEN DOOR CONTROLS offers an industry-leading range of packages designed specifically for the control of automatic doors in restroom applications. These kits feature a number of innovative and exclusive products, including the CM-AF500 single gang annunciator (providing 'Occupied When Lit' signage that is not legible when unit is not lit) CX-33 advanced logic relay (providing exclusive operation modes for restroom control) and Aura™ illuminated push plate switches (that combine 'Occupied When Lit' annunciation and door activation in one product).
