

Series 7500 Concealed Vent Window Systems

The Series 7500 Concealed Vent Window is a minimal sightline swing out window perfect for use in storefront, ribbon window and curtain wall openings. The window system has a 1 9/16" face dimension, a frame depth of 3" and is available for $\frac{1}{4}$ " and 1" glass. Maximum available size for the window is 60" x 32". Standard hardware includes stainless steel four bar hinges and cam locking handles. Finishes range from our standard paint colors and custom matched painted coatings to a selection of clear, bronze and black anodic finishes.
