

## Series 7600 Concealed Vent Window Systems

---

The Series 7600 Concealed Vent is a minimal sight line window perfect for use in Storefront, Ribbon Window and Curtain Wall openings. Standard hardware includes a single Multi-Point Locking Handle. As with all of our operable windows, vent construction starts with tubular vent components that are Mitered, Reinforced with Corner Keys, and Crimped at all corners. When closed, the vent is sealed to the frame with bulb gaskets ensuring an air tight seal.
